### Need a Student Loan?

## Let Us Help!

**Services Center  
Federal Credit Union  
offers student loans.**

Scholarships, grants, financial aid and federal loans are a great way to finance your education. BUT what do you do when they do not cover the cost of your education? Apply for a student loan through the Credit Union. A college loan from the Credit Union cuts the total cost of your student loan because you make interest payments while you are in school. Graduate ahead of the game by paying a little while you learn. It's the smart option!
